Full Bathroom

Oahu Intergroup of Hawaii, Inc., would like you to take a closer look at our Oahu Central Office and give us your feedback about our ease of access, cost and value.

EASE OF ACCESS :

Oahu Central office is conveniently located right downtown, at 1188 Bishop Street, Suite 3406. Everyone has the opportunity to access this site; there is free parking, for those traveling via car, but more importantly every bus route is within one block of the office.

COST :

We pay \$1256.40 monthly for a two-room unit with a full bathroom and small kitchen. The front office has a comfortable sales area. The back office includes the storage area and the Manager's office.

VALUE:

This unit includes all utilities:

- Water
- Electrify
- Garbage & Sewage
- Secured Parking Stall
- Janitorial Service
- 24-hour on site security
- Maintenance crew

ALTERNATIVES :

Must be in a central location accessible to our entire fellowship. Allow for the on-site delivery of UPS and Fed Ex. We also require a restroom and two rooms one for sales staff and the other for literature storage.

Should Oahu Intergroup purchase a unit for the Oahu Central Office? Should we relocate, if so where?
